

Merchant Account Rate Analysis/Price Comparison Form

Please review the enclosed credit card statements and provide me with a RATE/COST Analysis of how much I am paying for each credit card transaction, and the monthly fees charged as per the statements attached. Any one time, per occurrence, annual fees, or cancellation fees may be indiscernible from reviewing the monthly statement. Such fees are often fine print items noted in original contract agreement. I understand that this is a FREE no obligation service.
